Let love, let love

Love lets, love forgets
We don't need a world of regrets
So let's love

Let's love one another
Let's give love to the other
Black or white, young or old
Everybody needs a little love to hold

Love's my light that lets me see
Love's my key that sets me free
Love is right, love is good
Give it out, I know I should

Love was shed on a tree
Look out, world, Calvary
I am glad I'm a victim of love

Let love linger over Tokyo
Let love soak down through Idaho
Let love stay like a Port-de-Paix
Let love, let love

Love never envies, love doesn't boast
Giving out love you get the most
Let love, let love, let love go, let it flow
Let it come out of you and let it show, love

Let love linger over Tokyo
Let love soak down through Idaho
Let love stay like a Port-de-Paix
Let love, let love

Let love linger over Tokyo
Let love soak down through Idaho
Let love stay like a Port-de-Paix
Let love, let love

Let's love one another
Let's give love to the other

Let love linger over Tokyo
Let love soak down through Idaho
Let love stay like a Port-de-Paix
Let love, let love

Let love linger over Tokyo
Let love soak down through Idaho
Let love stay like a Port-de-Paix
Let love, let love

Let love linger over Tokyo
Let love soak down through Idaho
Let love stay like a Port-de-Paix
Let love, let love
