Juliet and Romeo sitting on the patio  
Looks like they're under a mistletoe  
They think it's true love that they show

What they need to make convey  
Is the love of God today  
That's what they need to make display  
A PDA

Show your brother  
Show your sister  
Show your mother  
That Jesus really loves her

We need some PDA  
A public display of affection  
We need to show some PDA  
A public display of affection

We need to show some PDA  
A public display of affection  
We need to show some PDA  
A public display of affection

Christ died upon a tree  
A spectacle for all to see  
For all the world, for you and me  
Without His love how could we be

His love is not infatuation  
No side effects or complications  
No lonely times or long vacations  
Go with God no hesitations

PDA  
A public display of affection  
We need to show some PDA  
A public display of affection

We need to show some PDA  
A public display of affection  
We need to show some PDA

Show your brother  
Show your sister  
Show your mother  
That Jesus really loves her

One two three four

It's time to crawl upon the cross  
Consider everything but loss  
Display your love no matter the cost  
Give of yourself to save the lost

Don't get caught in a bad display  
Show the love of Christ in a righteous way  
You know what He did so you have to say  
PDA

So PDA, we need some PDA  
We need some PDA  
We need some PDA  
A public display of affection

We need to show some PDA  
A public display of affection  
We need to show some PDA  
A public display of affection

We need to show some PDA  
A public display of affection  
We need to show some PDA  
A public display of affection  
We need to show some PDA
