We're worlds apart
The distance between us is just too great
Draw me close
Let me know You're near

The reason we sing
Is to bring down Your glory
Show us Your face

Pour Your love down and cover me
Pour Your love down and cover me

At Your feet
I bow down and know that You are my King
My King
To weight of life gets swept away

The reason we sing
Is to bring down Your glory
Show us Your face
Show us Your face

Pour Your love down and cover me
Pour Your love down and cover me

In this moment, I feel so along
When you pour Your love down

Pour Your love down and cover me
Pour Your love down and cover me

Pour Your love down
Pour Your love down, cover me

Pour Your love down
Pour it down, let it cover me
Pour Your love down and cover me

Pour Your love down
You pour Your love down and cover me
Cover me with Your love
Pour Your love down and cover me

Cover me with Your love
Pour Your love down and cover me
