[702]: (J-Dub):

Hmmm,(yeah) come on,(you know we had to do a  
remix)

Yeah (J-Dub)

I'm gonna keep it real (Dent)  
How you make me feel  
Boy you give me chills, baby (Noontime)  
I'm gonna break it down  
You just drive me wild  
(Las Vegas represents)  
Whenever you're around (702)

1 - You know how I do  
And you know how I flow  
Can I get your name and number  
Cuz I like your steelo  
And I dig the way you move  
And the way you do your thing  
Baby you can bring it on  
You can swing it this way

[Brad Dacus]:

Babygirl take a trip with me  
On an exotic fantasy  
I know your man will be mad  
If he knew I was the best you ever had  
On vacation, conversation is cool  
Let's take a swim in the pool  
Begin the romance, slow dance  
You know the circumstances  
Whisper in your ear  
Making advances, giving glances  
Picture this on the canvas  
Sipping on pina coladas  
On the beach in the Bahamas  
Away from all the drama

Repeat 1

2 - You stay on my mind

Think about you all the time  
Got to get to know you well  
If you kiss then I won't tell

Repeat 2

Kiss me, oh, hold me, I say squeeze me, oh squeeze  
me, whoa  
Kiss me, oh, hold me, I say squeeze me, whoa, kiss me

[Missy]:

(Ha ha, ha)  
One two, uh check it, check it, check it out  
Follow, follow me, many, many, many miles  
One two, check it out  
Lemme, lemme, lemme, lemme, lemme break it down  
(Ha, ha, ha)  
One two, check it out  
Follow, follow me, many, many, many miles  
(Ha, ha, ha)  
One two break it down  
Lemme, lemme, lemme, lemme, lemme, break it down

This track is nasty like pornography  
Work the mommy I like Joe but he sloppy, dag  
Poppy got a brand new bag, for real  
I taking 'Quel O'neil like shaq, shak  
Ask Michael Jackson who bad  
He says I am but the queen not drag, dag  
I'm bad enough to let my pants sag  
I be in 'Vegas where 702 be at  
Check it out

[Brad Dacus]:

At sight it's visual  
Could it be physical attraction  
I hear you're diggin' my steelo so come show me some  
action  
What'cha gon' do, 702  
I guarantee you'll be loving me after I'm through  
Apparently you know what I'll do  
Get it, get it, let me hit it you don't stop  
We won't stop till I'm finished  
Babygirl it's your world  
I'll be your friend like those diamonds and pearls

[702]:

Repeat 1 (w/ J-Dub ad-libs)

[J-Dub]:

Remix, Noontime

J-Dub, Dent, 26-20 crew  
See we out

[702]:

Kiss me, oh, hold me,(hold me) I say squeeze me, oh  
squeeze me, whoa

Kiss me, (stop) oh, hold me, I say squeeze me, (hold  
me yeah) whoa, Kiss me
