Hit me.

If all you got is a fancy car and a precious diamond ring, when you stand before the Lord will it really mean a thing?

You've got to see how good your life can be,
You've got to feel what's really, really real,
How can you know, until you taste and see, how good it is to be set free?
Yeah.

Taste and see that the Lord is good,
He's got milk and honey for you,
Come and dine at the master's table,
He'll serve bread and wine to you.

You tasted this and you tasted that, but you still ain't satisfied,
You'll never find any peace of mind in those empty things you tried.

Don't be afraid of tasting something new,
Your soul is hungry, and nothing else will do,
The bread of life will keep you saitsfied,
You won't go hungry or ever be denied, yeah.

Taste and see that the Lord is good,
He's got milk and honey for you,
Come and dine at the master's table,
He'll serve bread and wine to you.

You've got to make up your mind and leave your old life behind you,
You know he'll take it away.

Oh, it's really, really real,
How can you know, 'til you taste and see, how...how good it is to really...

Taste and see that the Lord is good,
He's got milk and honey for you,

Come and dine at the master's table,
He'll...
Taste and see that the Lord is good,
He's got milk and honey for you,
Come and dine at the master's table,
Taste and see that the Lord is good,
He's got milk and honey for you,
Come and dine at the master's table,
He'll serve bread and wine to you.
