Puff the magic dragon lived by the sea,  
And frolicked in the autumn mist in a land called  
honalee.  
Little Johnie Paper, he loved that rascal puff  
And brought him strings and ceiling wax, and other  
fancy stuff.

Puff the magic dragon lived by the sea,  
And frolicked in the autumn mist in a land called  
honalee.

Together they would travel on a boat with billowed  
sails.  
Jackie kept a lookout perch on Puff's gigantic tail.  
Noble kings and princes would bow when e'er they  
came,  
And pirate ships would lower their flags when puff  
roared out his name.

A dragon lives forever, but not for little boys,  
Fairy wings and pirates rings leave way for other toys.  
One grey night it happened, Johnie paper came no  
more.  
And puff that mighty dragon finally ceased his fearless  
roar.

Puff the magic dragon lived by the sea,

honalee.  
Puff the magic dragon lived by the sea,

His head was bent in sorrow, grey scales fell like rain.  
Puff no longer came to play along the cherry lane.  
Without his lifelong friend Puff could not be brave,  
So Puff that mighty dragon finally slipped into his cave.

Puff the magic dragon lived by the sea,  
And frolicked in the autumn mist in a land called  
honalee.

And frolicked in the autumn mist in a land called  
honalee.
