Kiss your sorrows goodbye  
Let it fade into the night  
Wipe the tears from your eyes  
Show the world your smile  
So many reasons to be happy  
Look around and you will see  
All the things that might  
Have come your way  
It's just part of life's mystery  
Don't frown, don't let it  
Bring you down  
Just listen to the children's laughter  
Set aside your fears  
And doubts  
Don't frown, don't let it  
Bring you down  
For the world has lot to offer  
Take a look around  
Dooh, dooh  
Hmmm... hmmmhh...  
Oooohh...  
Don't frown, don't let it  
Bring you down  
Just listen to the children's laughter  
Set aside your fears and doubts  
Don't frown, don't let it  
Bring you down  
For the world has lot to offer  
While you are still around...
