Do I have to say a thousand words
Just to prove to you all my love
That I'm truly yours
Do I have to walk with you down the aisle
Just to prove that I am worthy of your smile
Do I have to be somebody and pretend
Do I have to owe my princess, tell me when
Do I have to wait a little while...
Oh you let me wait the rest of my life...

Refrain

Do I have to walk with you down the aisle
Just to prove that I am worthy of your smile...

Chorus

My beautiful princess of the skies
Why do you let me sacrifice
Oh princess of the skies tell me why...]2x

Nanana... nanana...

Repeat chorus
