Take me back to the place I love  
Take me back to the place I love, uhuh uhuh  
Take me back to the place I love  
Take me back to the place I love

I remember when were kids  
Having bar-b-ques in the bukid  
When the brownouts came, we were never alone  
We just played in the streets til the lights came on

Six o'clock in the mornin'  
Bakery just opened  
You can smell the bread, they was cooking from a mile  
away  
Ain't nothing like a fresh piece to start your day in...

### CHORUS

Manila (Manila, Manila)  
I'm comin' back to Manila  
The only place that I call home (home)  
I'm comin' back to...

Manila (Manila, Manila)  
I'm comin' back to Manila  
The only place that I call home (home)

Signal to the jeepney (pick me up)  
Take me to the place where (I grew up)  
Back to the kids in the park where we played all day  
Some had a shed for a home but it was all okay

'Cause in Manila, we all the same  
Everybody's waiting for things to change  
In the barrio, that's how it is  
We didn't care much 'cause we were kids, oh

### CHORUS

Manila (Manila, Manila)  
I'm comin' back to Manila  
The only place that I call home (home)  
I'm comin' back to...

Manila (Manila, Manila)  
I'm comin' back to Manila  
The only place that I call home (home)

RAP

I've been gone for a minute but I'm on the next flight

And the plane man says we can make it by night  
Can't wait to touch down in my old hometown  
Had a girl, we used to kick it but I doubt she's still  
around, yo

It's all good 'cause I'm back in the jungle  
Where the girls in bikinis all come in a bundle  
And pain and poverty is everywhere  
But when the smoke all clears, there's only love in the  
air

I've been gone too long  
I'm coming home

Gone too long  
I'm comin' home (comin' back to the place I love)  
Gone too long  
I'm comin' home (comin' back to the place I love)  
I'm comin' back to Manila

Yo yo yo yo  
I say, babalik ako sa Manila, Manila  
Babalik ako sa Manila, Manila  
Babalik ako sa Manila, Manila  
Babalik ako, babalik ako, babalik  
Babalik ako sa Manila, Manila  
Babalik ako sa Manila, Manila  
Babalik ako sa Manila, Manila  
Babalik ako, babalik ako, babalik

I'm comin' home (Manila, Manila, Manila, Manila)  
I'm comin' back to Manila (comin' back to the place I  
love)  
I'm comin' back to Manila (Manila, Manila, Manila,  
Manila)  
I'm comin' back to Manila (comin' back to the place I  
love)  
(Manila, Manila, Manila, Manila, Manila)  
(Comin' back to the place I love)  
Comin' back to the place I love  
Comin' back to the place I love  
Comin' back to the place I love (whoa)
