You Got me calling on the phone  
Hoping that you're still at home  
Cause I gotta see my baby  
I'm missing you like crazy  
I'm doing 90 on the freeway  
Trying to get myself to your place tonight  
I gotta see you  
Cause don't nobody else do it right

You give me fever baby  
Everytime you touch my body  
You know what I'm waiting for  
Here I am, boy it's all yours

#### CHORUS

Can't nobody love my body  
Nobody touch my body like you do  
So I'm saving it all for you baby  
Can't nobody love my body  
Nobody touch my body like you do

Eversince the day we met  
I can't get you out my head  
Got me thinking bout your sweet lovin  
How you put it down  
Baby put it on me tonight  
See I'm wearing what you like  
And I wanna spend the night  
Cause nobody touch my body  
Quite the way you did that night  
You give me fever baby  
Everytime you touch my body  
You know what I'm waiting for  
Here I am, boy it's all yours

#### CHORUS

Can't nobody love my body  
Nobody touch my body like you do  
That's why I'm saving it all for you baby  
Can't nobody love my body

Nobody touch my body like you do  
Can't nobody love my body  
Nobody touch my body like you do  
That's why I'm saving it all for you baby  
Can't nobody love my body  
Nobody touch my body like you do  
That's why I'm saving it all for you

:BRIDGE

Boy you make my temperature rise  
Just take one look in my eyes  
And you can see that I'm hot for ya  
Boy you got me working a sweat  
and We ain't started yet  
Feelin like I'm lossing my breathe

REPEAT CHORUS
