My bags are all packed
The car will be here soon
We can make it to the airport
If we leave by noon

But you're not even close to ready
Don't you wanna say goodbye
What's the matter, baby
Though we makes plans to be together
Right before I fly
And then he told me, baby

CHORUS

You know I love you but I hate to cry (hate to cry)
So, I can't be there when it's time to say goodbye (time
to say goodbye)
Just say the words "I'll see you soon" (see you soon)
And I'll be waiting for you right here in this room
I'll see you soon
I'll see you soon

Let me hold you close
Just one last time
So I'll remember what it feels like
With your heart so close to mine
'Cause I'll be gone in a moment
It'll be too late, hoh woh
Boy, we still have some time
Are you sure you wanna stay

CHORUS

You know I love you but I hate to cry (hate to cry)
So, I can't be there when it's time to say goodbye (time
to say goodbye)

Just say the words "I'll see you soon" (see you soon)
And I'll be waiting for you right here in this room

I'll be gone, it'll be too late
You know it doesn't have to be this way
Boy, we still have some time, are you sure you wanna
stay

CHORUS

You know I love you but I hate to cry (hate to cry)
So, I can't be there when it's time to say goodbye (I
don't wanna say goodbye)
Just say the words "I'll see you soon" (I'll see you soon)
And I'll be waiting for you right here
Right here in this room, oh woh

(You know I love you but I hate to cry
So, I can't be there when it's time to say goodbye)
Right here in this room
I'll see you soon
(And I'll be waiting for you) Right here in this room
(Just say the words) "I'll see you soon" (hoh)
(And I'll be waiting for you) Right here in this room
(Just say the words) Wohh
(And I'll be waiting for you) I'll see you soon
