Woke up this morning to an ordinary day
City's still moving just the same as yesterday
& I'm still waiting for this all to make some sense to
me
what I'm here for and just who I'm suppose to be

Could it be maybe we, are moving in circles
Could it be maybe we, will never find the answers
It's so hard to be strong not knowing where I'm
headed
Maybe if you get this, you could show me a sign

CHORUS

Just let me know everything will be ok
Show me a sign
Give me strength to go on another day
Show me a sign
That's all I need to believe
Show me a sign
Maybe you could show me
Maybe you could show me

Show me a sign

So many dreams that have yet to come true
I'll take the time, you show me what to do
I get so lost, searching for something that I can't see
I've tried so hard, but it's getting to the best of me

Could it be maybe we, are moving in circles
Could it be maybe we, will never find the answers
It's so hard to be strong not knowing where I'm
headed
Maybe if you get this, you could show me a sign

REPEAT CHORUS

I want to believe
There's something more
Out there for me
I gotta believe

There's a reason for all of this
