I should've said goodbye  
I should've told you not to call  
I should've walked on by  
I should've known, you'd let me fall

I could've told a lie  
I could've said I don't love you  
I could've asked you why  
Do you even know what you do

And you will let me swim from shore  
Far enough so you can still see me  
And when I swim too far a shore  
You'll be the type that pulls me from the sea

I think you're being cruel  
I think it's time you made a choice  
You think that I'm a fool  
But I can't take a stand when I hear your voice

And you will let me swim from shore  
Far enough so you can still see me  
And when I swim too far a shore  
You'll be the type that pulls me from the sea

I know I'm drowning  
Your pulling me under  
Let me breathe

And you will let me swim from shore  
Far enough so you can still see me  
And when I swim too far a shore  
You'll be the type that pulls me  
And you will let me swim from shore  
Far enough so you can still see me  
And when I swim too far a shore  
You'll be the type that pulls me

Why do you do this to me?  
You'll be the type that pulls me from the sea
