Well it's only now
We can talk on the phone
And it's only now
That we can clear up the mess, yes
Cos' you broke my heart
But I broke yours too

Today on the phone
You asked me if I missed you

Like a hole in my head
I miss you
Like a whole lot of days with the blues
Like a hole in my water bed
I do miss you
Like a billionaire losing a dollar
Or a whole lot of bills overdue
Like a hole in my head I do
I do miss you

Well it's only now
That I can speak your name
And it's only now
Your pictures out of the frame, yeah
Cos' we laughed a lot
But we cried plenty too

You weren't meant for me
I guess I wasn't meant for you

Cos' like a hole in my head
I miss you
Like a whole lot of days with the blues
Like a hole in my water bed
I do miss you
Like a billionaire losing a dollar
Or a whole lot of bills overdue
Like a hole in my head I do
I do miss you

Well I do, miss you
Like the sun misses the moon

Like the night misses the day
I guess I miss you in other ways

Cos' like a hole in my head
I miss you
Like a whole lot of days with the blues
Like a hole in my water bed
I do miss you
Yeah, like a hole in my head
I miss you
Like a whole lot of days with the blues
Like a hole in my water bed
I do miss you
Like a billionaire losing a dollar
Or a whole lot of bills overdue
Like a hole in my head I do
I do miss you
