She's gone away,
Still they stay together
People call me crazy, crazy

My thoughts progress
I think about forever
My mind tells me maybe, maybe

I wish I could drive away
Til the sun set back to the day that we first met
only believe the things I wrote
I'll put it in a note now
Cross my T's and dot my I's
Better say hello
Don't you dare say goodbye
I'll write sincerely yours and sign my name
P.S. I love you
Forever and today

Weeks go bye
so I can spin the weather
The rain falls down
She's cryin', cryin'

My thoughts progress
She thinks about forever
Their hearts are bound
Lyn', lyn'

I wish I could drive away
Til the sun set back to the day that we first met
Only believe the things I wrote
i put it in a note now
Cross my T's and dot my I's
Better say hello
I'm gonna wave goodbye
I'll write sincerely yours and sign my name
P.S. I love you
Forever and today

All the heartache all the pain

All the words you shed in me
It'll never be the same

I wish I could drive away
Til the sun set back to the day that we first met
Only believe the things I wrote
I'll put it in a note now
Cross my T's and dot my I's
Better say hello
I'm gonna wave goodbye
I'll write sincerely yours and sign my name
P.S. I love you
Forever and today

Forever and today
Forever and today
P.S. I love you
Forever and today
