If only time could take away,  
The truth that lies beneath this pain  
It brings me back to what I'd hope for this to be  
But here and now, I'm on my own  
I've lost the will to carry on,  
Please shine a light to guide me home

Will you take me from this place I call,  
My home's forever broken  
I have nothing in this heart at all,  
This life seems meaningless, unspoken  
Words can't convey,  
I'll move on anyway,  
I can't hide behind what I don't know  
Have I lost it all?

If only time could take away,  
All the fights, the will to save  
What was left behind, you know I tried,  
I tried to save this fate  
But here and now, I'm on my own  
For I have walked this road alone,  
I gave my best to let this fall

Will you take me from this place I call,  
My home's forever broken  
I have nothing in this heart at all (nothing in this heart  
at all)  
This life seems meaningless, unspoken  
Words can't convey,  
I'll move on anyway,  
I can't hide behind what I don't know  
Have I lost it all?  
Have I lost it all?

Will you take me from this place I call,  
My home's forever broken  
I have nothing in this heart at all (nothing in this heart  
at all)  
Will you take me from this place I call,  
My home's forever broken  
I have nothing in this heart at all (nothing in this heart

at all)

Will you take me from this place I call,  
My home's forever broken  
I have nothing in this heart at all (nothing in this heart  
at all)  
This life seems meaningless, unspoken  
Words can't convey,  
I'll move on anyway,  
I can't hide behind what I don't know  
Have I lost it all?
