I wanna be your only man  
Don't wanna see you with no other man  
Now, just me! (just)  
Oh.  
Only me.

I wanna be your only man  
Don't wanna see you with no other man  
Now, just me! (just)  
Oh  
Only me

I see a sunbeam comin' down  
I know it's you by your footsteps on the ground.  
I see a sunbeam comin' down  
I know it's you by your footsteps on the ground.

I see a sunbeam comin' down  
I know it's you by your footsteps on the ground.  
I see a sunbeam comin' down  
I know it's you by your footsteps on the ground.

I wanna be your only man  
Don't wanna see you with no other man  
Now, just me! (just)  
Oh-oh  
Only me!

I wanna be your only man  
Don't wanna see you with no other man
