Its over now  
The universe split in two  
The sun collapsed  
Right after it turned bright blue  
And in space ignited  
The deepest of fears  
Loneliness not felt since a hundred thousand years

Cast aside every tear beneath the eyes over the years  
Scream farewell to all the peers  
Its time to go!!!

And at the end of the night  
When the sky blackens the light  
While in the innocents eyes  
The mind will cast this aside

ONE LAST TIME!!!!!!  
ONE LAST TIME  
One last time
