Looking out my window, I see Hell.  
Looking out my window, I see you.  
Staring through my door, I see Hell.  
Burning in the flames, I see you.

Trouble my mind.  
Trouble my soul.  
Trouble in the youth.  
Burning out of control.

Control control control control  
Burning out of control

Playing with my mind, I see Hell.  
Playing out of mind, I see you.  
But, who the fuck can ever tell.  
Burning in the flames, I see you.  
Trouble my mind.  
Trouble my soul.  
Trouble in the youth.  
Burning out of control.

Control control control control

Falling asleep into a dream.  
Falling asleep, away, away.  
Falling asleep, I'm falling down.  
Wide awake, I see you.

Trouble my mind.  
Trouble my soul.  
Trouble in the youth.  
Burning out of control.

Control control  
There ain't no fucking control
