Pretty women out walking with gorillas down my street  
From my window I'm staring while my coffee grows  
cold

Look over there, where?

There, there's a lady that I used to know

She's married now or engaged or something so I'm  
told

Is she really going out with him?

Is she really gonna take him home tonight?

Is she really going out with him?

?Cause if my eyes don't deceive me

There's something going wrong around here

Tonight's the night when I go to all the parties down  
my street

I wash my hair and I kid myself I look real smooth

Look over there, where?

There, there come Jeannie with her new boyfriend

They say that looks don't count for much and so there  
goes your proof

Is she really going out with him?

Is she really gonna take him home tonight?

Is she really going out with him?

?Cause if my eyes don't deceive me

There's something going wrong around here, around  
here

But if looks could kill

There's a man there who's marked down as dead

?Cause I've had my fill

Listen you, take your hand from her hand

I get so mean around this scene, hey, yeah, yeah, yeah

Is she really going out with him?

Is she really gonna take him home tonight?

Is she really going out with him?

?Cause if my eyes don't deceive me

There's something going wrong around here

Where? Around here  
Something's gone wrong around here
