Pretty women out walking with gorillas down my street
From my window Iâ'm staring while my coffee grows
cold
Look over there, where?
There, thereâ's a lady that I used to know
Sheâ's married now or engaged or something so Iâ'm
told

Is she really going out with him?
Is she really gonna take him home tonight?
Is she really going out with him?
â'Cause if my eyes don't deceive me
Thereâ's something going wrong around here

Tonightâ's the night when I go to all the parties down
my street
I wash my hair and I kid myself I look real smooth
Look over there, where?
There, there come Jeannie with her new boyfriend
They say that looks don't count for much and so there
goes your proof

Is she really going out with him?
Is she really gonna take him home tonight?
Is she really going out with him?
â'Cause if my eyes don't deceive me
Thereâ's something going wrong around here, around
here

But if looks could kill
Thereâ's a man there whoâ's marked down as dead
â'Cause Iâ've had my fill
Listen you, take your hand from her hand
I get so mean around this scene, hey, yeah, yeah, yeah

Is she really going out with him?
Is she really gonna take him home tonight?
Is she really going out with him?
â'Cause if my eyes don't deceive me
Thereâ's something going wrong around here

Where? Around here

Something's gone wrong around here
