Been goin' out so long that I'll show
I'll go and answer all that I know
Been out so much that I'm late
It's turning out it's all that I hate

Say, say

Been going out so long that I caved
From throwing out the bait that I saved
I swallowed up the young that I stole
I've mellowed out so I'm sure that I'll hold

So hold, so hold

So, baby, come back to me
And we'll sleep
I'll admit the things you want me to
I won't fuck the girls I wanted to

Say, say

Been goin' out so long that I stay
Been shrugging off the loins that I hate
Our loving eyes don't know what a fool
Sweet loving eyes don't know what a fool

So fool, fool

So, baby, come back to me
And we'll sleep
I'll admit the things you want me to
I won't fuck the girls I wanted to

So, baby, come back to me
And we'll sleep
I'll admit the things you want me to
I won't fuck the girls I wanted to

Say, say
What I will say?

And so, baby, even if you long to

Lately it's all that I can't do

Well, I'm goin' [Incomprehensible]
[Incomprehensible]

Baby, come back to me
And we'll sleep
I'll admit the things you want me to
I won't fuck the girls I wanted to

And, baby, come back to me
And we'll sleep
I'll admit the things you want me to
I won't fuck the girls I wanted to
