So I say goodnite to you  
So I say goodnite to you  
When it's all been said  
And you no longer left in me

And there's nothing I can do  
'Cause you're the only thing that I can see  
Evolving into everything I need

So I say goodnite to you  
When it's all been said  
And you no longer left in me

And there's nothing I can do  
'Cause you're the only thing that matters now  
Oh, how you seem to go in everyway

When I go home again  
Oh baby, just please forgive me  
And I won't be comin' back again  
So baby, just please forgive me

When I go home again  
Oh baby, just please forgive me  
And I won't be coming back again  
So baby, just please forgive me  
Oh baby, just please forgive me now

When I go home again  
Oh baby, just please forgive me  
And I won't be coming back again  
So baby, just please forgive me  
Oh baby, just please forgive me now
