Conversation is going round  
People talking 'bout the girl who's come to town  
Lovely lady (Lady) pretty as can be  
No one knows her name she's just a mystery  
I have seen her maybe once or twice  
One think I can say is oooh she's very nice  
She's a lady one I really wanna know  
Somehow I got to let my feelings show

She's fresh (fresh) exciting  
She's so exciting to me  
She's fresh (fresh) exiting  
She's so inviting to me

I've been thinking about the way you walk  
Baby I like the way you talk  
Tell you something I really can't hide  
Heaven must have send you to be by my side  
Fresh and lovely (Fresh) like a dream come true  
I'll give anything to spend the night with you  
What a feeling and I can't stop it baby  
Miss frisky lady take me away

She's fresh (fresh) exciting  
She's so exiting to me  
She's fresh (fresh) exciting  
She's so inviting to me  
Fresh as a summer breeze  
She'll take it by surprise  
She means so much to me (Yeah)  
I'll do whatever to make her mine

She know you fresh like a caddy of 22's  
The way you move daddy is proud of you  
Ain't no secret we acting up  
When you bend over and back it up  
And I met you like once or twice  
I look in your eyes  
I want your thighs on ice  
Damn you nice  
Thick like a milkshake  
A little pimpin', call home make your booty shake

Fresh ma give me a yes ma  
Look in your eyes I think of your breasts Huh  
There are some things we could get into  
Iâ'm Ambush I just wanna get in you

She's fresh (fresh) exciting  
She's so exciting to me  
She's fresh (fresh) exciting  
She's so inviting to me  
She's fresh fresh She's so fresh  
She's fresh fresh She's so fresh  
She's fresh fresh (Exciting)  
She's so exiting to me  
She's fresh
