Ev'rybody sat here waiting for the train to come Just laid down a bright-red carpet for her to step on Looking through the van I see her waving her hands at me

Her looks were tanned and quite amazingly she ran to me

Hello Suzie, hello Suzie, tell me the news about yourself

Hello Suzie, hello Suzie, tell me that you've enjoyed yourself

Frantic'lly she knocked me over causing such a scene Shook the crowd enough to sway the interest from the Queen

Her black transistor socked out 1 o'clock radio Completely drowned the band and loud enough to stop the show

Hello Suzie, hello Suzie, tell me the news about yourself
Hello Suzie, hello Suzie, tell me that you've enio

Hello Suzie, hello Suzie, tell me that you've enjoyed yourself

Yes, I rock and roll the day away, come on, ev'rybody They all seem too keen to make the scene, come on, ev'rybody Gotta kick the dust away

Hello Suzie, hello Suzie, tell me the news about yourself Hello Suzie, hello Suzie, tell me that you've enjoyed yourself
