Ev'rybody get your feet off the ground
And don't get excited, your fate is decided
You don't have to worry when you see me around
Don't get excited, your fate is decided

But I'm what I'm because of you
Come with me, that's all you gotta do
I can make your ev'ry dream come true
Think of what you would gain from a trip in my plane
My plane

We'll fly high in the sky
Where rainbows go by, leave troubles behind
We'll fly high in the sky
Girl, just you and I, we're two of a kind

You're the woman who was meant for me
You're the woman who was sent for me
And the lovin' time you spend with me
Would be heavenly if you'd only be mine
Be mine

We'll fly high in the sky
Where rainbows go by, leave troubles behind
We'll fly high in the sky
Girl, just you and I, we're two of a kind

You're the one who makes me dream at night
When you send me, girl, you're out of sight
Won't you come and help me fly my kite?
Give a little sign, say you wanna be mine
Be mine

We'll fly high in the sky
Where rainbows go by, leave troubles behind
We'll fly high in the sky
Girl, just you and I, we're two of a kind
