I bought your album  
You're my new favorite band  
I love that third song - yeah  
Let's hear that one again  
And I learned all your words  
So I can sing along  
You're my favorite band  
You write my favorite songs

I listen to your music  
in my room  
Shutting out the world  
just me and you

I hear you're coming soon  
To my home town  
I got my tickets as  
Soon as they went on  
And your music means  
It means so much to me  
Got me through some bad times  
That you wouldn't believe

I listen to your music  
in my headphones  
I listen to your music  
when I'm alone

I played you for some friends  
And they loved you too  
We're gonna start a fan club  
And dedicate it to you  
And we learned all your words  
So we can sing along  
You're our favorite band  
You write our favorite songs

We listen to your music  
in my car

I bought your album...
