So you're born on the cusp  
Or it's a run of bad luck  
But it's bigger than us  
It's bigger than love

And the time your head cleared  
You never feel it  
You never look back  
You never look back  
You never look back...

You never look back  
What's in the car  
A CD-R  
You never look back  
You never look back  
And it's bigger than us  
It's bigger than love  
Oh it must be I know  
Cause it always wins  
And it always wins  
It always wins  
It always wins  
It always wins...
