Clap It Up by Audio Push Lyrics

Clap it up 16x's

Back it up 16x's

light clap it up for him girl
stop it, drop it, get it
Im octane baby and i run my city
I started getting money and yeupp im getting bread
still
Clap it up, and back it up and run it like a treadmill
You clap that and ima sit and throw hundreds
Flow sick coughin' and my nose still runnin'
I step up in the spot and make yo girl drip fluid
Nike sign on her booty so you know i had to do it
And you aint gotta like it, i know the world still does
And everything you hate about us yo girl love
She came up in the party w. her hands in the air
Told yo girl who i was and yo girl said "Swear"
Said baby you right, yeah its me, its me
If you gon' clap it up lemme see, lemme see
& She said "Octane i never did this befo"
I said "i heard that befo now get on the dance flo" .

Clap it up 16x's

hold up

Back it up 16x's

Look at price tag, where they do that at.
Everywhere cuz my pockets on Buddha fat
Lil mama got it poppin like a gun addict
The way you shake it, i might have to throw a one at it
(Miasha Williams did this:)
Now clap it up baby girl i know you bout that
You say yo swagga like me, well i doubt that
I got it jumpin like a kangaroo pouch that pop that
Gimme cheese like a mouse trap
Oh yeah oh yeah it's on like a car key
Feet up on these couches
V.I.P thats where the stars be
and the lames up in the back

and its bout to go dumb like paris hilton is on one of
them
So whats poppin babygirl, yeah wassup boo.
if you lemme grab, price gotta touch too.
your like the song and the beat, beat bang
now back it up on me , patty cake
Clap it up 16x's
hold up
Back it up 16x's
