[Ben J:]

Now wat we do I let my swagger do the talkin I dnt say
a lot so I'm put down 4 the girls like they weight a lot
I'm a put it down 4 the girls like they weight alot ok I
pulled to girls cause my swag started talkin they were
lookin pretty hard so I had to start flossin startin walkin
the other way my pants started fallin money fallin out
my pocket so you really kno your ballin people hatin on
my jeans cause they don't have a swag and if you don't
have a swag you can't throw it in the bag so girls are
like busses I get them like deniro and if they are
busses then I'm a orange camoro I keep straight and
simple I am the t-t-trinnin topic of the week best style of
the industrie young king of hip-hop iced out wrist watch
g-shocks so loud don't you hear a tick-tock girls like d-
side but when I'm on a track these cocky rhymes I run it
back and you can't stop me and that's the fact you try 2
block me that's a wrap and make all my swag crack
and that's cause I'm so damn raw and I got it like that
ben j

[Legacy:]

I let my swagger do the talkin I dnt say a lot so I'm put
down 4 the girls like they weight a lot I'm a put it down
4 the girls like they weight a lot I met this girl named
Jennifer I was In to her like a splinter but Jennifer in to
slipperier and it's like Christopher picture the rad of my
life mr I'm at to my wife so I spend most of my time
tryin to get a better one like Jennifer sister but I ain't
kno she prefer the wreck relationship and mines ain't
long no body part ain't no one more cockier than so I
acted like a bus and dropped her off on the streets
When the freaks want me then she looks decent she
told me she rock 50 miles an hour no seat belt winter
so I got her a new coat with fur she said she wanted
Gucci so I left her in the cold like burr then I met this
Spanish babe that had the cutest Spanish frame told

me she was with it she was down for anything said and
if it wasn't two she'll make the way I don't want to catch
a bus I'm a ride a train today ha!
