so we kick in the door,
waiving to fall forward,
all you heard was poppa
don't hit me no more!

i said we came to kick the door,
and all we going like it's snowing,
so you got that flow with the popping dough
that will let you see were glowing,
every time you're stepping in,
your brodie know its us,
its that B-O-W wodie this is how you throw it up!
Swag funky like the cast off,
boy im sicker than yo last cough
If i killed the game with a mask off
got the fire to make yall blast off

so we kick in the door,
waiving to fall forward,
all you heard was poppa
don't hit me no more!

O-k-t-a-n-e,
you can catch me next to your daughter,
and if i'm close enough its wetter than arian water,
ugh I said they call me price-t-a-g,
got the flow to make them go crazy,

your girl, let her kiss at my clay piece
so diamonds are great no macy
hold up, stop it, let me go get it!
show me the trophy I guarantee we gonna win it
they told me not to do it, but i gotta do it to them,
so what i really gotta do is show them the moon and I
come in and I,

so we kick in the door,
waiving to fall forward,
all you heard was poppa
don't hit me no more!

Catch me rolling down cedar,

all black two-seater,
with your girl swiping her visa,
with my tats out and wife beater,
man I got your girl moving for me, running that cash,
this money stackin, i ain't saving,
its just coming that fast,
yeah I said brown drinks will let odies back
wodie came she show me that
dig her out, kick her out let her know
that her brodies back

so we kick in the door,
waiving to fall forward,
all you heard was poppa
don't hit me no more!
