[Verse 1]

Baby  
It's been about two weeks  
Lookin' out the window  
Sittin' on the road with no service tryna send my girl a  
text but they all wanna send slow  
Plus I got these off brands hatin' on me  
And the groupie's on the road I'ma tip strong  
But I know my baby girl waitin' on me  
So I'ma keep it on lock til I get home, til I get home  
Listen  
Baby, you're the only one I care for  
Even though there's birds around me like a scare-crow  
You gotta man, they look at me crazy  
But I still play hard ball 'cause you always kept it G baby  
I'm the one for you and I'm ready to show that  
I got a private place in this space that we can float at  
Even when I'm gone and you thinking that you should  
hold back  
So I'm thinkin' about you, sleepin' next to your kodaks

[Chorus]

Little mama pick the day-ay-ay  
Baby we can roll-oll-oll  
And we can runaway-ay-ay  
You just gotta let me know-oh-oh  
'Cause babygirl I heard you gotta man  
But you look so good  
I just wanna spend time witcha  
'Cause I miss ya, yeah I miss ya  
And when I'm gone she got me starein' at her picture's  
Starein' at her picture's  
Starein' at her picture's  
Starein' at her picture's  
at her picture's  
at her picture's  
And when I'm gone she got me starein' at her (Starein'  
at her x5)

[Verse 2]

Yeah

I say, I say  
It's like  
Fresh off the plane, got to 7/11  
I think about everyday girl from 7 to 7  
She know I'm out here protectin' and reppin'  
She text me and say make a wish it's 11:11  
These girls screamin' crazy, it's hard for me to focus  
You at work and I know you wasn't expectin' roses  
Yeah I know I'm good, I'm prolly the coldest  
They say nobody's perfect, but baby you the closest  
She says it's a different picture and different frame

I'm startin' to like the bench 'cause I don't play the  
games  
She say she miss me so much, and I say the same  
Without you I'ma go insane

[Chorus]  
Little mama pick the day-ay-ay  
Baby we can roll-oll-oll  
And we can runaway-ay-ay  
You just gotta let me know-oh-oh  
'Cause babygirl I heard you gotta man  
But you look so good  
I just wanna spend time witcha  
'Cause I miss ya, yeah I miss ya  
And when I'm gone she got me starein' at her picture's  
Starein' at her picture's  
Starein' at her picture's  
Starein' at her picture's  
Starein' at her picture's  
at her picture's  
at her picture's  
And when I'm gone she got me starein' at her (Starein'  
at her x5)

?????? starein' at your kodaks  
Baby girl I miss you, I just wanna show that  
Lookin' at your posters, and your cell phone pics  
'Cause when you're gone from me, girl I listen to this

[Chorus]  
Little mama pick the day-ay-ay  
Baby we can roll-oll-oll  
And we can runaway-ay-ay  
You just gotta let me know-oh-oh  
'Cause babygirl I heard you gotta man  
But you look so good  
I just wanna spend time witcha  
'Cause I miss ya, yeah I miss ya  
And when I'm gone she got me starein' at her picture's

Little mama pick the day-ay-ay  
Baby we can roll-oll-oll  
And we can runaway-ay-ay  
You just gotta let me know-oh-oh  
'Cause babygirl I heard you gotta man  
But you look so good  
I just wanna spend time witcha  
'Cause I miss ya, yeah I miss ya  
And when I'm gone she got me starein' at her picture's  
Starein' at her picture's  
Starein' at her picture's  
Starein' at her picture's  
Starein' at her picture's  
at her picture's  
at her picture's  
And when I'm gone she got me starein' at her (Starein'  
at her x5)
