imma take you to a place that only ment for you and  
she said why and i said  
i just wanna touch your body and let you now exactly  
how  
it feels to be in my arms 'cause girl you gon' feel my  
body with your body  
and you will see how that feels you wont wanna go  
home  
'cause  
(chours)

and baby if you want you can spend the night  
imma show you that i'm grown

so baby turn your phone off imma dim the lights  
you wanna see if i can do it right  
and we can find out alone

when i start to go up,down,up,down,up,down,up  
when we go up,down,up,down,up,down,up,down.  
see Now that we're alone girl we can do what you like to

nibbele on your earlobe  
trust i wont bite you  
i don't need distractions let me do what i do  
and if you need directions baby let me guide you  
cause your body's in my hands trust i can handle  
imma make it dark and imma light up like a candle  
so if you want a preview imma make a show  
just put me in the driver seat and imma take control.  
(chours)  
When they say whats wrong you'll be feelin' right  
and baby if you want you can spend the night

imma show you that i'm grown girl  
so baby turn your phone off imma dim the lights  
you wanna see if i can do it right  
and we can find out alone
