Sittin' in my car outside your house
(Sittin' in my car outside your house)
'Member when you spilled coke all over your blouse
T-shirts, cut-offs and a pair of thongs
(T-shirts, cut-offs and a pair of thongs)
We've been havin' fun all summer long

(All summer long you've been with me)
I can't see enough of you
(All summer long we've both been free
Won't be long till summer time is through
(Summer time is through)
Not for us now

Miniature golf and Hondas in the hills
(Miniature golf and Hondas in the hills)
When we rode the horse we got some thrills
Every now and then we hear our song
(Every now and then we hear our song)
We've been havin' fun all summer long

Won't be long till summer time is through
(Summer time is through)
Not for us now
Every now and then we hear our song
(Every now and then we hear our song)
We've been having fun all summer long

We've been having fun all summer long
(We've been having fun all summer long)
We've been having fun all summer long
(We've been having fun all summer long)
We've been having fun all summer long
