She paints her nails  
And she don't know he's got her best friend on the  
phone  
She'll wash her hair  
his dirty clothes are all he gives to her  
And he's got posters on the walls  
Of all the girls he wished she was  
(Bridge)And he means everything to her

(Chorus)Her Boyfriend he don't know anything about  
her needs  
He's too stoned Nintendo  
I wish that i could make her see

She's just the flavor of the week

It's friday night and she's all alone  
He's a million miles away  
She's dressed to kill  
the TV's on  
He's conected to the sound  
And he's got pictures on the walls  
Of all the girls he's loved before  
(Bridge)And she knows all his favorite songs

(Chorus)

(Chorus2)Her Boyfriend he don't know anything about  
her  
He's 2-stoned , he's 2-stoned  
He's 2-stoned , he's 2-stoned

(End) I wish that I could make her see!!!!It makes me  
weak!Shes just the flavor of the week!!!!!!!!!!!!
