Got nothing to loose this time
And I'm bored with the same old lines
I never know what to do or what to say to you
One look and you'll knock me out
You put me on the floor with a ten count
I don't wanna make a scene I gotta make you see
That I've been waiting for a girl like you
And I know there's nothing I could do

Don't wanna make you hurt
Don't wanna make you feel
Like the world ain't on your side
Like you're never gonna get it right
No I can't fight I can't sleep at night
Just thinking about you girl
I'm a fool for you
Yes I am

You've been on my mind
Since I saw you walking by
I knew I had to know you better you were everything
But I didn't know what to say
So you just walked away
I couldn't believe what a fool I was to let you go
Cause that I've been waiting for a girl like you
And I know there's nothing I could do

Don't wanna make you hurt
Don't wanna make you feel
Like the world ain't on your side
Like you're never gonna get it right
No I can't fight I can't sleep at night
Just thinking about you girl
I'm a fool for you
Yes I am

Yeah

Then I saw you at the beach talking with my friends
I couldn't believe my eyes it was my lucky day
So I just asked you out to the Forum to see No Doubt

When you said you would go I thought I might explode
Cause that I've been waiting for a girl like you
And I know there's nothing I could do

Don't wanna make you hurt
Don't wanna make you feel
Like the world ain't on your side
Like you're never gonna get it right
No I can't fight I can't sleep at night
Just thinking about you girl
I'm a fool for you
Yes I am

Don't wanna make you hurt
Don't wanna make you feel
Like the world ain't on your side
Like you're never gonna get it right
No I can't fight I can't sleep at night
Just thinking about you girl
I'm a fool for you
Yes I am

Yes I am
I am a fool for you
Yes I am
I am
