You're taking this all way too hard  
Put the barrel to my head  
And by Christmas I'll be dead

Take my life  
I'm a hollow washed-out boy  
Anyone today  
I said take my life  
I'm a hollow washed-out boy  
Anyone

Somebody kill me  
Put me out of my misery  
Somebody kill me  
Please kill me  
(Repeat)

Set myself on fire on a rainy day  
What you know is what you learn  
Torch my world and watch it burn  
You suck me dry  
And I go limp from all your selfishness  
(Repeat)

Take my life  
I'm a hollow washed-out boy  
Anyone today  
You can take my life  
I'm a hollow washed-out boy  
Anyone

(Repeat Chorus)

You're taking this all way too hard  
Colt 45 is in your hand  
Shoot myself at your command

Take my life  
I'm a hollow washed-out boy  
Anyone

(Repeat Chorus)
