A chair is still a chair
Even when there's no one sittin' there
But a chair is not a house
And a house is not a home
When theres no one there to hold you
tight and no one you can kiss goodnight
a room is still a room
even when there nothing there but blues
but a room is not a house and a house is not a home
When the two of us are far apart
And one of us has a broken heart

Now and then I call your name
And suddenly your face appears
But it's just a crazy game
When it ends it ends in tears

Darling, have a heart,

Don't let one mistake keep us apart.
I'm not meant to live alone.
Turn this house into a home
When I climb the stairs and turn the key
Please be there
Still in love with me.

I'm not meant to live alone.
Turn this house into a home
When I climb the stairs and turn the key
Please be there
Still in love with me.
