Words are flying out like endless rain into a paper cup  
they slither while they pass they slip away.

Across the universe.

Pools of sorrow waves of joy are drifting through my  
open mind.

Possessing and caressing me.

Jai guru deva om.

Nothing's gonna change my world.

Nothing's gonna change my world.

Nothing's gonna change my world.

Nothing's gonna change my world.

Images of broken light

Dance before me like a million eyes

they call me on and on.

Across the universe.

Thoughts meander like a restless wind inside a letter  
box

They tumble blindly as they make their way

Across the universe.

Jai guru deva om.

Nothing's gonna change my world.

Nothing's gonna change my world.

Nothing's gonna change my world.

Nothing's gonna change my world.

Sounds of laughter shades of life are ringing through  
my open ears

exciting and inviting me.

Limitless undying love

shines around me like a million suns.

It calls me on and on.

Across the universe.

]

Jai guru deva om.

Nothing's gonna change my world.

Nothing's gonna change my world.

Nothing's gonna change my world.

Nothing's gonna change my world.

Jai guru deva om.  
Jai guru deva om.
