How can I just let you walk away, just let you leave  
without a trace  
When I stand here taking every breath with you, ooh  
You're the only one who really knew me at all

How can you just walk away from me,  
When all I can do is watch you leave  
Cos we've shared the laughter and the pain and even  
shared the tears  
You're the only one who really knew me at all

So take a look at me now, oh there's just an empty  
space  
And there's nothing left here to remind me,  
Just the memory of your face  
Ooh take a look at me now, well there's just an empty  
space  
And you coming back to me is against all odds and  
that's what I've got to face

I wish I could just make you turn around,  
Turn around and see me cry  
There's so much I need to say to you,  
So many reasons why  
You're the only one who really knew me at all

So take a look at me now, well there's just an empty  
space  
And there's nothing left here to remind me, just the  
memory of your face  
Now take a look at me now, cos there's just an empty  
space

But to wait for you, is all I can do and that's what I've  
got to face  
Take a good look at me now, cos I'll still be standing  
here  
And you coming back to me is against all odds  
It's the chance I've gotta take

Take a look at me now
