Six o'clock on friday evening  
momma don't know shes leavein'  
til she hears the screen door slammin'  
rubber squeelin  
hears the jammin  
local country station just blarrin on the radio  
pick him up at 7 and they're headin to the rodeo  
mommamas on her front porch screamin out her warning  
'girl you better get your red head back in bed before  
the morning'

ain't goin down til the sun comes up  
ain't giving in til they get enough  
goin around the world in a pick-up truck  
ain't goin down til' the sun comes up

Ten 'til twelve is wine and dancing  
Midnight starts the hard romancing  
One o'clock that truck is rocking  
Two is coming, there's still no stopping  
Break to check the clock at three  
They're right on where they want to be  
Four o'clock get up and going  
Five o'clock that rooster's crowing
