(Clay Aiken, Josh Gracin, Ruben Studdard)

Well, you can tell by the way I use my walk I'm a
woman's man, no time to talk.

Music loud and women warm, I've been kicked around
since I was born.

And now it's all right, it's okay, you may look the other
way.

We can try to understand the New York Times' effect
on man.

Whether you're a brother or whether you're a mother
you're stayin' alive, stayin' alive. Feel the city breakin'
and everybody shakin' and you're stayin' alive, stayin'
alive. Ah, ah, ah, ah, stayin' alive, stayin' alive, ah, ah,
ah, ah, stayin' alive.

(Kimberly Locke)

Don't know why I'm surviving every lonely day
When there's got to be no chance for me if I turn away
(Clay Aiken, Josh Gracin, Kimberly Locke,
RubenStuddard)

Am I strong enough to see it through?

Go crazy is what I will do If I can't have you, I don't want
nobody baby

If I can't have you, oh darlin If I can't have you,

I don't want nobody baby If I can't have you, oooooh

(Ruben Studdard)

And you come to me on a summer breeze
Keep me warm in your love then you softly leave
And it's me you need to show How deep is your love
(Clay Aiken, Josh Gracin, Kimberly Locke)

How deep is your love, how deep is your love?

I really mean to learn Cause we're living in a world of
fools

Breaking us down when they all should let us be

We belong to you and me.

(Ruben Studdard)

I believe in love

(Clay Aiken, Josh Gracin, Kimberly Locke, Ruben
Studdard)

Run to me whenever you're lonely.

Run to me when you need a shoulder
Now and then, you'll need someone older, so darling,
you run to me.

(Clay Aiken)

Nobody gets too much heaven no more
It's much harder to come by I'm waiting in line

(Clay Aiken)

In my life, I can see beyond forever, everything we are
will never die,
love is such a beautiful thing

(Kimberly Locke)

Life is a moment in space,
When the dream is gone, it's a lonelier place,
I turn away from the wall
I stumble and fall but I give you it all

(Clay Aiken, Josh Gracin, Kimberly Locke, Ruben
Studdard)

I am a woman in love, and I'll do anything, to get you
into my world,
and hold you within,

(Kimberly Locke)It's wrong not to fit,
over and over again, (Kimberly Locke)what do I do??

(Clay Aiken, Josh Gracin, Kimberly Locke, Ruben
Studdard)

Good morning mister sunshine
You brighten up my day
Come sit beside me in your way
Lonely days, lonely nights
Where would I be without my woman?
Lonely days, lonely nights
Where would I be without my woman?

Gimme that Night Fever, Night Fever

We know how to do it, feels like forever baby don't
you know??

Gimme that Night Fever, Night Fever

We know how to show it

(Kimberly Locke)My baby moves at midnight

(Clay Aiken)Goes right on to the dawn

(Ruben Studdard)My woman takes me higher

(Josh Gracin)My woman keeps me warm

(Clay Aiken, Josh Gracin, Kimberly Locke, Ruben

Studdard)What you doin' in your bed your bed aah

What you doin' in your bed your bed aah

You should be dancing, yeah dancing, yeah dancing
yeah
