Every now and then  
I still get a flashback  
Of the time I spent  
Thinking you could be that one  
Should I have just kept your love?

Yes I understand,  
We did have some good times  
On the other hand,  
Got my crying all night  
It was too much for my mind

So even though I left you  
I can't forget you  
'Cause when I think about you  
It's bittersweet, it's bittersweet  
Guess I'll always love you  
It's bittersweet, it's bittersweet

When we were together  
You ain't treat me right  
Damn I really love you  
I ain't gonna lie

'Cause when I think about you

It's bittersweet...

I still have the box  
Full of things you gave me  
Start to throw it out  
Something always stops me, yeah  
I'm not as over you as I said

Deep inside my heart  
I made the right decision  
But it's gonna hurt  
When you might less think it  
Did I make a big mistake?

Even though I left you

I can't forget you

'Cause when I think about you  
It's bittersweet, it's bittersweet  
Guess I'll always love you  
It's bittersweet, it's bittersweet

When we were together  
You ain't treat me right  
Then I really love you  
I ain't gonna lie

'Cause when I think about you

It's bittersweet...

See I don't understand  
Like, somebody is gonna get hurt  
Out of this situation  
And you just hope it's not you

At times...

Part of me wants you, part of me don't  
Part of me is missing you, part of me is gone  
Part of me is saying that the love is still strong,  
Part of me is letting go

So even though I left you  
I can't forget you  
'Cause when I think about you  
It's bittersweet, it's bittersweet  
Guess I'll always love you  
It's bittersweet, it's bittersweet

When we were together  
You ain't treat me right  
Then I really love you  
I ain't gonna lie

When I think about you, it's bittersweet

It's bittersweet....
