grew up in a small town
and when the rain would fall down
i'd just stare at my window

dreamin of what could be
and if i'd end up happy
i would pay

tryin hard to reach out
but when i'd try to speak out
felt like no one could hear me

wanted to belong here
but something felt wrong here
so i pray
i could breakaway

i'll spread my wings and i'll learn how to fly
i'll do all it takes 'till i touch the sky
i'll take a risk
take a chance
make a change
and breakaway

wanna feel the warm breeze
sleep under a palm
feel the rush of the ocean

get on board a fast train
travel on a jet plane
and breakaway

i'll spread my wings and i learn how to fly
i'll do all it takes 'till i touch the sky
and i'll make a wish
take a chance
make a change
and breakaway

out of the darkness and into the sky
but i won't forget the ones that i loved
i gotta take a risk

take a chance
make a change
and breakaway

buildings with a hundred floor
swinging around revolving doors
maybe i don't know where they'll take me but
gotta keep movin on,moving on
fly away,beakaway

i'll spread my wings and i'll learn how to fly
though it's not easy to tell you goodbye
i gotta take a risk
take a chance
make a change and breakaway

out of the darkness and into the sky
but i won't forget the place i come from
i gotta take a risk
take a chance
make a change
and breakaway,breakaway,breakaway
