Why do you build me up (build me up) Buttercup, baby  
Just to let me down (let me down) and mess me around  
And then worst of all (worst of all) you never call, baby  
When you say you will (say you will) but I love you still  
I need you (I need you) more than anyone, darlin'  
You know that I have from the start  
So build me up (build me up) Buttercup, don't break my  
heart

"I'll be over at ten", you told me time and again  
But you're late, I wait around and then (bah-dah-dah)  
I run to the door, I can't take any more  
It's not you, you let me down again

(Hey, hey, hey!) Baby, baby, try to find  
(Hey, hey, hey!) A little time, and I'll make you mine  
(Hey, hey, hey!) I'll be home  
I'll be beside the phone waiting for you  
Ooo-oo-ooo, ooo-oo-ooo

Why do you build me up (build me up) Buttercup, baby  
Just to let me down (let me down) and mess me around  
And then worst of all (worst of all) you never call, baby  
When you say you will (say you will) but I love you still  
I need you (I need you) more than anyone, darlin'  
You know that I have from the start  
So build me up (build me up) Buttercup, don't break my  
heart

To you I'm a toy but I could be the boy you adore  
If you'd just let me know (bah-dah-dah)  
Although you're untrue, I'm attracted to you all the  
more  
Why do I need you so

(Hey, hey, hey!) Baby, baby, try to find  
(Hey, hey, hey!) A little time and I'll make you mine  
(Hey, hey, hey!) I'll be home  
I'll be beside the phone waiting for you  
Ooo-oo-ooo, ooo-oo-ooo

Why do you build me up (build me up) Buttercup, baby

Just to let me down (let me down) and mess me around  
And then worst of all (worst of all) you never call, baby  
When you say you will (say you will) but I love you still  
I need you (I need you) more than anyone, darlin'  
You know that I have from the start  
So build me up (build me up) Buttercup, don't break my  
heart

I-I-I need you-oo-oo more than anyone, baby  
You know that I have from the start  
So build me up (build me up) Buttercup, don't break my  
heart  
{fade}
