We'll do it all
Everything on our own
We don't need anything
or anyone

If i lay here, if i just lay here
would you lay with me
and just forget the world?

I don't quite know hw to say
how i feel

Those three words are said
yoo much they're not enough

If i lay here, if i just lay here
would you lay with me
and just forget the world?

Forget what we're told
before we get too old
show me a garden that's bursting into life

Let's waste time chasing cars
around out heads

I need your grace to remind me
to find my own

If i lay here, if i just lay here
would you lay with me
and just forget the world?

Forget what we're told
before we get too old
show me a garden that's bursting into life

All that i am
all that i ever was
is here in your perfect eyes
they're all i can see

I don't know where
confused about how as well
just know that these things
will never change for us at all
