Yesterday I cursed you
And told you that I was through
But today I'm with you
Ain't that some love?

Tomorrow you might hate me
And find you somebody new
But today I'm with you
Ain't that some love?

I ain't gon' lie, boy, you got me
Out of my mind in L-O-V-E

I go crazy when you love me, got me acting a mess
Even got the nerve to say you're better than my
mama's
Collard greens and cornbread, yeah
Collard greens and cornbread, yeah

I never put up with BS from anyone, but I take it from
you
Ain't that some love?
And I never had no one put me through what you do
But as long as it's you, baby, that's some love

Oh, I ain't gon' lie, boy, you got me
Out of my mind in L-O-V-E

I go crazy when you love me, got me acting a mess
Even got the nerve to say you're better than my
mama's
Collard greens and cornbread, yeah
Collard greens and cornbread, yeah

Baby, and you're my sweet potato pie, sugar
You know you are
Oh sugar, and I can't get enough of you
Boy, I'm crazy 'bout what you do

Oh, I ain't gon' lie, boy, you got me
Out of my mind in L-O-V-E

I go crazy when you love me, got me acting a mess
Even got the nerve to say you're better than my
mama's
Collard greens and cornbread, yeah
Collard greens and cornbread, yeah
Collard greens and cornbread, yeah
Collard greens and cornbread, yeah, hey babe
