Hot summer streets and the pavements are burning  
I sit around  
Trying to smile but the air is so heavy and dry  
Strange voices are saying (ah, what did they say?)  
Things I can't understand  
It's too close for comfort this heat has got  
Right out of hand

It's a cruel, (cruel) cruel summer  
Leaving me here on my own  
It's a cruel, (it's a cruel) cruel summer  
Now you're gone  
You're not the only one  
It's a cruel

The city is crowded, my friends are away and I'm on  
my own  
It's too hot to handle so I gotta get up and go

It's a cruel, cruel summer (leaving me)  
Leaving me here on my own  
It's a cruel, (it's a cruel) cruel summer  
Now you're gone  
You're not the only one

Now don't you leave me  
Now don't you leave me  
Well don't you leave me  
Come on, come on

Now don't you leave me  
Now don't you leave me  
Well don't you leave me

Come on, come on  
It's a cruel, cruel summer (leaving me)  
Leaving me here on my own

It's a cruel (it's a cruel) cruel summer  
Now you're gone  
You're not the only one

It's a cruel, cruel summer (leaving me)  
Leaving me here on my own  
It's a cruel (it's a cruel) cruel summer  
Now you're gone  
You're not the only one

It's a cruel, cruel summer  
It's a cruel, (it's a cruel) cruel summer

It's a cruel, cruel summer (leaving me)  
It's a cruel, (it's a cruel) cruel summer

It's a cruel summer
