I can't light no more of your darkness

Closed the door and left me blinded by the light

Don't let the sun go down on me

Although I search myself, it's always someone else I
see

I'd just allow a fragment of your life to wander free

But losing everything is like the sun going down on me

I can't find the right romantic line

But see me once and see the way I feel

Don't discard me just because you think I mean you
harm

But these cuts I have they need love to help them heal
