Don't play that song for me
'Cause it brings back the memories
Of the days that I once knew
Of the days that I spent with you

Oh no, don't let it play
It fills my heart with pain
Please stop it right away
'Cause I remember just what it said
It said, "Darling"

You know that you lied
Boy, you know that you lied
You know that you lied
You lied, you lied, you lied

Remember on our first date

You kissed me
Then you walked away
And I was only seventeen
I never dreamed that he could be so mean

Oh darling, don't you play no more
Don't you dare play that song
You know you lied

Ohh
